Work experience

● **Final Year Project (PFE): Analysis and improvement of information security risk management.**

From Feb. 2026 to Jun. 2026 [Qualipro By Imagine Human](#) Tunis

- Conducted a documentary assessment of the Integrated Management System (IMS) in accordance with the requirements of ISO 9001:2015 and ISO/IEC 27001:2022, identifying compliance gaps and developing improvement recommendations.
- Contributed to the preparation of internal audits and the verification of compliance of ISMS processes, procedures, and documentation.
- Analyzed, assessed, and updated the risk and opportunity register in accordance with the Risk-Based Thinking approach promoted by ISO standards.
- Contributed to the development and updating of the information security risk map.
- Designed and enhanced a cyber risk taxonomy based on ISO/IEC 27002:2022 controls and the ANSSI threat framework to improve risk identification and classification.
- Identified organizational vulnerabilities, developed risk scenarios, and proposed appropriate risk treatment measures within the ISMS framework.
- Updated and improved ISMS documentation, including policies, procedures, processes, work instructions, forms, and records.
- Developed Gap Analysis tools, compliance checklists, and tracking matrices for ISO 9001, ISO/IEC 27001, and regulatory requirements.
- Conducted regulatory and legal monitoring covering GDPR, NIS2, DORA, and Tunisian regulations relating to data protection and cybersecurity.
- Participated in monitoring KPIs, non-conformities, corrective actions, and continuous improvement plans.
- Advanced use of QUALIPRO for document management, audits, risk management, non-conformities, corrective actions, performance indicators, and management system monitoring.
- Designed a customer satisfaction survey using Microsoft Forms and contributed to the analysis of results as part of a continuous improvement approach.

● **Summer internship: Analysis and improvement of information security risk management**

From July 2025 to Aug. 2025 [Qualipro By Imagine Human](#) Tunis

- Participated in risk management activities within an Information Security Management System (ISMS) compliant with ISO/IEC 27001.
- Conducted regulatory and legal monitoring related to cybersecurity, personal data protection, and applicable compliance requirements in Tunisia and Europe, including GDPR requirements.
- Contributed to updating ISMS documentation, including policies, procedures, processes, and document templates.
- Participated in process mapping and the improvement of document governance.
- Supported risk identification and assessment activities during risk review meetings.
- Contributed to monitoring regulatory and standard requirements and updating compliance tools.
- Used QUALIPRO for document management and management system monitoring.

● **Hospital internships**

From 2022 to 2024 [CHU Habib Bourguiba Sfax](#), [CHU Hedi Chaker Sfax](#)

- Participation in quality control checks and equipment calibration
- Application of sterilization and disinfection procedures
- Preparation of quality documentation (control sheets, procedures, records)

Education

● **Professional Master's in Quality, Health, Safety, and Environment management**

From 2024 to Jun. 2026 [Virtual University of Tunis](#) Tunis

● **Bachelor's Degree in Medical Biology**

From 2021 to 2024 [Higher School of Health Sciences and Techniques of Sfax \(ESSSTS\)](#), Sfax Sfax

● **Baccalaureate in Experimental Sciences**

From 2020 to 2021 [Ibn Mandhour High School](#) Kébilli
